ASM Intermountain Branch is a group of microbiology professionals, trainees, and students from Utah, Idaho and Nevada. Our mission is to support the American Society for Microbiology (ASM) to promote and advance the microbial sciences in this local community. Funding for the 2025 ASM/IB Meeting has been kindly provided by the ISU Office for Research, College of Science & Engineering, Graduate School, Microbiology Club, and HHMI.

Idaho State University (Pocatello) acknowledges that it is located within the boundaries of the original Fort Hall Reservation on the traditional lands of the Shoshone and Bannock peoples.
